### From the East...

Happy New Year my Brothers,

2018 promises to be a very positive year for Eola. The slate of elected and appointed officers is second to none that I have ever seen. The future for Eola in the coming years is very positive. Each of the officers have Masonry in their hearts and all have a strong love for Eola, this is indeed good news.

2017 we were able to make improvements to Eola both the facilities and preparing our brothers to lead. We repaired the bathrooms, the air-conditioning systems, the carpeting in the Lodge room, the roof leak, the bad ceiling area in the northeast corner, continued our focus on improving the kitchen and made a concerted effort to keep our Lodge clean and straight. The Brothers all have been active in the degrees and not in the same chair. Our Worshipful Master-elect introduced a new fundraiser that is very promising and will continue.

So, as I leave the East I must thank every brother of Eola for allowing me to have had this opportunity to serve and a special thanks to each and every officer. You officers made my year pleasant and enjoyable and to all, Thank you...

May Brotherly love prevail,

**Michael T. Rudd**  
Worshipful Master

### From the (nearly) East...

Greetings, I hope that each of you experienced a Merry Christmas and a blessed Happy & Safe New Year Holiday! Welcome to 2018!!

Once again, I would like to thank you all for your confidence by electing me to serve as your Worshipful Master. It is my Honor and certainly my gratitude cannot convey to you the amount of pride that I have in allowing me to continue to serve you, our lodge and our great fraternity.

The Installation of Officers is on Saturday, January 13. Lunch is at 1230p and the ceremony begins at 1:30p. I hope to see you there.

I am honored to be able to work with such a distinguished group of Brothers. Congratulations to the elected officers: Brothers Nelson Bonet, Paul Rhoads, W.: Harry Brumley, III, and W.: Martin Schwebel. And a big thank you to the Brothers who have accepted positions as appointed officers: W.: Michael Rudd, W.: Jim Judovits and R.: W.: Keith Albright, Brothers Rocky Ruvola, Remi Silva, Paulo Dias and Ramzy Suhweil.

The planning, with a brief presentation that I shared with you last month, I can tell you that your officers are motivated, eager and I consider myself fortunate to serve with each of them. As a gentle reminder that Eola's theme this year is "Community Awareness". To improve on this goal the following events will aide us in achieving by being involved within the community. Events like Adopt-A-Precinct, we have at least 2 this year, Fish Fry, Tailgate BBQ and our Food & Toy drives to name a few. But while there are a lot of events and goals, foremost is for "Making Your Masonic Experience Better!" So, I ask you my brethren to please come to me at any time if you have any suggestions or recommendations. After all, it's our fraternity. Food Drive and Toy Drive: Brethren I ask that you consider bringing into the Lodge each time that you enter through

the West Door a canned food good and/or a small unwrapped toy (or a small donation for the end of year Christmas purchase). When a reasonable amount of food is gathered for donations, I will provide the time and place to deliver – please plan on joining me for each month to deliver the Food Drive.

Travel, Travel, Travel - My frame of mind is we do have an obligation to our fraternity; however, we have to remember this responsibility is both inside and out of the lodge. Brothers, our lodge is not defined by our building, it is defined by our brothers. The more we meet others and learn from them, the better we can become. For this reason, I would like to humbly ask that you attend the meetings, events and degrees as your cable tow allows but also come out to at least one social event. It has been so beneficial (to me) to go around and visit each Lodge, meet new brothers and learn as much as I can during my travels, OUR fraternity is full of amazing Brothers! Go ahead and mark your calendar for the year; school of instructions (SOI) happens only twice a month, Masters and Wardens meet (Open to all MMs) once a month and Masonic Leadership Training / Masonic Education (outside your Lodge) once a quarter.

**Our first big event of the year at our Lodge is coming up in April.** On Saturday, April 28th at 12pm we will be having our Annual Fish Fry. Being a community event, this fund raiser is open to all Brothers, Family and Friends. There will be more information from the Fund Raising Committee Chair Br. Rocky in the latter part of January. Keep posted to upcoming issues of the Trestle board, to email notices, and to our Facebook page AND our Home Page at EOLA207.COM for more information.

## **From the South...**

My Brothers:

The month of December has been a busy month and I would like to ask for the continuance of your support in the upcoming year 2018.

This year has been so very satisfying Masonically speaking. 2017 had a lot of attendance for dinners and we are ending in the positive thus making it a prosperous year. I must say thank you to all the Brothers that continue to attend, and support the Lodge.

### ***Special thanks:***

To Brothers Rocky Ruvola and Paul Rhoads who became very actively involved in the kitchen duties this month; also to those Brothers that keep passing by the kitchen and help cleaning a few plates. Thank you for your help it is very welcome and appreciated.

I hope that the year 2017 ends with Joy and Happiness, and that this New Year brings more Joy and Happiness to all.

For the brothers who do not regularly attend, and for some it has been a long time, come join us we miss you all. Have a look at the calendar and be sure to mark your calendar and schedule to come for the fellowship or to participate in the upcoming events.

Sincerely and Fraternaly,

**Br. Nelson Bonet**  
*Junior Warden*
